

Spring 2016

The Movember Foundation is seeking men living with prostate cancer and their loved ones to share their story and be a part of the TrueNTH Program.

TrueNTH is creating a documentary style video series that highlights the journey of men living with prostate cancer as well as the experience of their families, partners, and caregivers. The videos will relay your own personal experience to aid others currently living with prostate cancer. This is an opportunity to help others experiencing what you've gone through.

What to Expect:

We'll be coming to your hometown to film (and take photos) for 4 to 6 hours. Our team of 3-5 people will shoot with you at your house. The audience won't see the details of your home as you'll be positioned in front of a backdrop. Our footprint is very light and very flexible. We'll work very hard to accommodate your schedule.

About TrueNTH:

TrueNTH is a program to improve the quality of life for men and their loved ones living with and beyond prostate cancer. TrueNTH is a global initiative across the USA, Canada, UK, Ireland, Australia, and New Zealand. Together with a team of over 400 of the world's leading prostate cancer experts, the TrueNTH program aims to address the areas most important to improving the lives of those affected by Prostate Cancer including:

- Quality information related to decision making
- Important strategies to track and improve symptoms – such as urinary and sexual health
- Lifestyle advice on exercise, diet, and wellbeing
- Experiences with other prostate cancer survivors, partners, and caregivers
- Better access to healthcare professionals.

Watch a brief video about TrueNTH here: <https://us.movember.com/news/7557/announcing-truenth>

Join us:

We are interested in meeting you and your partners and caregivers. Please tell us a little about yourself in email to: TrueNTH.USA@movember.com with **Subject Line: TrueNTH Video Response**

In your email, please tell us your

- Age
- Where you live
- A brief description of your prostate cancer journey

Thank you for helping us change the face of men's health.
